PARK CITY WINS FROM EUREKA

Large Crowd Sees Rival Mining Camps Fight It Out.

TIED IN THE NINTH INNING

THORNTON WEAKENS IN TENTH AND IT IS ALL OFF.

Eureka, July 16.—The largest srowd ever seen on the local grounds gathered to witness the game between Park City and Eureka here today, which resulted in a victory for the visitors by a score of 11 to 6. The Park City team arrived on a special train, accompanied by their band and 200 rooters from their own camp, and about 300 more enthusiastic rooters from Salt Lake and the valley towns. The Eureka Union band met the visitors at the depot and marched them up to the Elks' hall, where the visitors were royally entertained by the local lodge. The game was called for 3 o'clock, but as the train was somewhat late in arriving, it was 3:30 before Park City went to the bat.

game was called for 3 o'clock, but as the train was somewhat late in arriving, it was 3:39 before Park City went to the bat.

Bradley scored for Park City in the first inning on Clark hitting one out to center field. For Eureka, Lumley, after hitting out a three-bagger, scored on Wall's safe one, and Wall scored on a line drive into left field by Beck.

In the second Marx got to third through King's error and a wild throw by Chivrell, but two strike-outs and a good catch by Beck retired the side. Nothing more happened until the third inning, when Lumley and Wall scored for the home team on Beck's liner to right field, and Hahn also scored on Butterfield's error. In the fourth inning, Marx at bat, knocked a pretty three-bagger on which Clark scored. Spillman got third on an error and Marx ran home; and Thornton's wild pitch scored Spillman, A magnificent catch in right field by Chivrell and a familiar one by Dad Stewart were the features of the fifth, and in the sixth inning Bates, for Park City, collared a hot one from Wall.

The game being tied in the ninth inning, another inning was played in which fibronton fell down completely and Park City made five runs, taking the game and the leng end of the money. Bates put up a magnificent game and his Eureka friends, although they lost their money, are pleased that his last game in Utah was almost errorless.

Manager Shontz of the Eureka team said tonight that he was not satisfied with the outcome of today's game, as he was sure his team could yet beat the Parkites. He issued a challenge to play the Park team next Sunday at Walker's field for a side bet of \$550, and for another contest at Walker's field on July 24 for a like amount. The score:

BEATEN TO A FRAZZLE.

Heusser Family's Rexburg Baseball Team Trounces Idaho Falls on Latter's Grounds.

(Special to The Herald.)
Idaho Falls, July 16.—The locals and the Rexburg teams clashed today in the local diamond with the result that the local diamond with the result that the locals were simply beaten to a frazzle from the time the first ball was thrown over the plate. Toren pitched masterly ball for the Rexxing team while Hall, with poor support, could do practically nothing with the Rexburg team. Mortenson was substituted in the box for Hall in the seventh inning, but the game was too far gone to overcome the lead of the visitors. McKinley, for the visitors, got a home run in the fifth inning, also seering two men. The local's only run was made by Mortenson in the ninth inning, when by shrewd base running and an error, he was allowed to score. Batteries—Toren and Heusser; Hall and Doane.

Doane.

The summary of the game can easily be deducted from the score. Captain Edgington's bunch of swift amateur ball tossers will open the amateur season here next Monday with the Blackfoot team. The locals' amateurs are speedy ones and from the formidible array should play winning ball all the time.

POCATELLO-SUGAR CITY.

Bill Carney Pitches the Game and Scores a Home Run-Outfielders Get Together.

Special to The Herald.)

Pocatello, Ida., July 16.—Pocatello beat
Sugar City here today in a game that was Sugar City here today in a game that was fast and full of features. Carney pitched for the home team and began business as if he intended to shut the visitors out. In the third, however, errors were responsible for three runs to Sugar City's creent, giving them a lead by a score of 3 to 2. The fourth was a shut-out and three runs for the Savages in the fifth made local fans look pleasant. In the seventh Outfielders Jensen and Ellsworth ran together and both men received cuts over the eye, causing them to retire from the game. In the same inning a home run by Carney brought forth a howl of approval from the local fans. The hit brought in a total of three runs, The last three innings were shut-outs for the visitors. Bountiful, July 16.—In a twelve-inning contest Bountiful beat the Z. C. M. I. team here yesterday by a score of 12 to 11. It was anybody's game until the finish. In the tenth it looked gloomy for the farmers. The clerks took a lead of two runs. The first two gravel catchers fanned. Two runs were needed to tie the score. Mann singled, stole second and scored on a two-bagger by Mabey. Wiseman duplicated the two-base trick and Mabey landed on home. Nothing was done in the eleventh nor in the clerk's half of the twelfth. For the farmers W. Wiseman went out at first. Muir singled, went to third on a two-base hit by Mann, and scored the winning run on a passed ball. The line-up of the teams was as follows: St. Louis, July 16.—Boston took the game today with ease, Young being effective save in one inning. Young struck out nine of the St. Louis batters, equaling the major league record for the present season. Howell was hit freely, but his support was perfect. Attendance—10,000. Score:

Gailey, two well known swimmers, who took part in the contests at St. Louis last year, are entered by the Olympic club of San Francisco. An eastern candidate for honors is H. J. Handyof of the Central Y. M. C. A., Chicago. Handyof is recognized as one of the fastest swimmers in the world and unless the long journey from Chicago and the change of climate affects him he will prove a formidable antagonist. and considerable interest in the matter is still going the rounds in cycling circles. Last evening Manager Heagren of the saucer track asked that a state of the facts be published, which is gladly done. Here is what Mr. Heagren has to say in

Here is what Mr. Heagren has to say in the matter:

"I notice that Iver Lawson continues to send out written statements through the newspapers from day to day in regard to his not riding here the balance of the season, and for the benefit of the public I would like to state a few facts:

"That last Tuesday evening, July II. 1995, immediately after the races Lawson came into the office and said that he did not intend to do any more riding this season and that he intended to take a rest. He also said that he was merely riding his head off to win dollars here when he could win thousands over in Australia and not ride nearly so hard; that he was not even making his training expenses and was taking big chances of getting a bad fail, also of going stale, which in either event would prevent him from riding in Australia next winter.

"This statement was made in the presence of a number of witnesses and Lawson also thanked the management for the way he had been treated and before he left did not state any grievances whatever. It would seem from newspaper reports that the above is not true, but nevertheless these are the real facts.

"In my estimation the riders now riding at the Sait Lake and Ogden tracks are the fastest in the country and that Lawson is one of them, which surely will not be doubted in view of the many world's records that have been broken by them this season.

"I would like to state that Lawson was teamed with Samuelson, one of the best ist.

In the diving championship the contest will be restricted to a plunge for distance. In this event the contestants are John W. Blaze of Los Angeles and Sidney Cavill of the Olympic club. Blaze has competed in diving contests all over the world. He claims to hold several records for long dives made in various countries. Cavill held the diving championship of Australia before coming to this country and has a fine record in Europe.

not be doubted in view of the many them this season.

"I would like to state that Lawson was teamed with Samuelson, one of the best unpaced riders in the world, a rider who holds more unpaced world's records than any other rider, and Lawson was pulled by Samuelson to win. If Lawson will continue to ride in Salt Lake, which seems from newspaper reports to be his intention if satisfactory arrangements can be made, I will give him \$75 for every first place that he can win at the local saucer without being assisted by other riders as he has been in the past.

"It was said some weeks ago in the newspapers that Lawson had challenged any rider in the world for a match race for a side bet of \$5.000, and it was later announced in the papers that the challenge had been accepted by Frank L. Kramer, the American champion, and that they would probably ride the match off on some eastern track. If such a meeting could be brought about and could be secured for the local track and both Lawson and Kramer will deposit the \$5.000 side bet with Walker Brothers' bank. I will deposit at the same time and place \$1.000, the winner of the match to take the entire purse of \$11,000.

"I would like to say that I regard Iver Lawson as a great bleycle rider and

SCIENCE SETTLES IT.

Saps the Hair Vitality.

It is now a settled fact that dandruff is caused by a germ. Falling hair and baldness are the result of dandruff. Dr. E. J. Beardsley, of Champaign, Ill., got hold of the new hair preparation. Newbro's Herpicide—the only one that kills the dandruff germ. He says: "I used Herpicide for my dandruff and falling hair, and I am well satisfied with the result." Dr. J. T. Fugate, of Urbana, Ill., says: "I have used Herpicide for dandruff with excellent results. I shall prescribe it in my practice." Herpicide kills the dandruff germ. Physicians as well as the general public say so. Sold by leading druggists. Send 19c in stamps for sample to The Herpicide Co., Detroit, Mich.
